"Tsuna, don't give too much burden to your daughter."

"I know right, but if we didn't put heavy burdens to her then who will?"

His wife sighed. She knew how much her husband cares for their daughter but Tsuna is showing it in hard way, honestly he just like his tutor, Reborn.

"He also did it before to Ritsu's picture too, right?" Nagisa who also have sweat drop talk back.

"Okajima you look like a stalker!" Isogai said.

"Pervert Stalker!" Nagisa and Sugino said together.

"Eh~ I wondered how will she react if she saw your phone with her picture~ will she shoot you with gun or stab you with a knife~?" Karma with mischievous smile said to his pervert classmate.

"You're cruel Karma-kun! What's make you think that?! Look she is so pretty like Kanzaki-san!"

"Well she is from Mafia after all, more of it, she is from Italy~" then dark creepy back ground appeared behind the red head. "I really wonder how she will deal with you~"

"Quit scarin' me Karma-kun!"

"Okay minna-san!" Koro-sensei started as he put down his class attendance on his table, grin never leaves his yellow round face. "We have new member to our Ansatsu Kyoushitsu. Please enter~"

She look up to the Octopus sensei with mischievous smile to her face as she hide her gun to her bag "I'm sorry that I interrupt you from talking, Koro-sensei. Please continue~"

When Koro-sensei leaves his stupor he told her that she will have the empty chair between Karma and Ritsu. As soon as she sat there Karma spoke at her with his trade mark smile "Na~ Sawada-san do you hate perverts?"

****Lesson 2: Assembly Time/2*****nd***** Period****

Satsuki is looking at her Dying will bullet, she is laid right now at the grass field just beside of the old building.

'Eh~ so even dying will bullets were don't have effect to that octopus. Jeez, my rate of killing that octopus has becoming lesser and lesser. Tch! And to think that I have to do this quickly.'

"Hey Sawada-san," she look up at the voice owner and found the red hair student of E-class.

"Akabane-san?"

Mischievous smile form on his lips as he heard her voice saying his surname "Ne~ if you really want to kill Koro-sensei then you better use this things." Karma said as he showed to her the gun and BBs.

She sit up as she took the pellet and gun, she observe first the green gun,

"S.A.A.U.S.O- Special Arms Against Unidentified Slimy Octopus? What a name?! Then this pink pellet is,"

"A special pellet against Koro-sensei." Nagisa who just came to them answered instead.

"Sorry I believe we were classmate but who are you?"

"ShiotaNagisa, Sawada-san."

"Ah then, pleasure to meet you Shiota-chan~"

"Chan?" Nagisa have depressing dark background while Karma is holding his laugh forNagisa since he just mistakenly as a girl. "Why
â€"chan?"

"Why, you ask?" Then realization strikes at Satsuki then sweat drop slips down to her cheek "So you are â€" boy?"

"Bishonen, to be exact!"

"HEY KARMA-KUN!"

The brunette and red head chuckle at his reaction, they stop just minute later and Satsuki look back at Nagisa who have depress lines on his head.

"Sorry, sorry Shiota-ch- sorry! I mean Shiota-kun!"

"Eh~ why you changed it? Just stick into it, ne~ Nagisa-chan!"

"Cut it out Karma-kun!"

The two once again laughed together. Satsuki then took a deep breath to stop herself from laughing.

'Come to think of it, it's been a long time since the last time I laughed like thisâ€'|'

"Then let's go now, everyone were already going down." Nagisa said with smile to the two.

"Ah, no thanks!" Karma answered as he laid down on the grass.

"You're not going again, Karma-kun?"

"Yea, that is just a shitty!" Karma said as he puttingon his ears his headset.

"Where are we going?" Satsuki asked as she standing up.

"At the main campus!" another voice answered.

The blue head and brunette blinked as they heard female classmate voice, Satsuki look at Nagisa, while the blue head take out his smartphone from his pocket. The brunette look at his smartphone where Ritsu is.

"You're Ritsuâ€" right?"

"Hai! You see the Kunigigaoka Junior High have this all-school assembly once a month." Ritsu explained.

As Ritsu explained to Satsuki the other information about the school, the two humans already walking down to their mountain leaving napping

Karma.

As they walking down and Ritsu explaining things to Satsuki;

Satsuki didn't mind the snakes that keep falling down to them, thought seems like the snakes didn't even try to approach them. Next challenge: The huge boulders that coming on them, before Ritsu or Nagisa could react Satsuki already shoot it with her gun that have Vongola insignia, though she used bullet courtesy by Vongola Mechanics. The huge boulder broke into unnumbered pieces.

Ritsu and Nagisa look at their new classmate with awe.

Next Stop: Bees, thought the bees are already left the place since Okajima lured them unintentionally.

The two humans and AIFA (Autonomous Intelligence Fixed Artillery) found their classmates that taking back their lost breaths thanks to the traps that laid for them.

"Wao! You guys look exhausted huh?" Satsuki said to their classmates

"Eh? And why are you guys not?" Maehara asked as he taking breaths.

"Wellâ€¦" Nagisa try to search for right words to describe his experience with the Mafia member.

"Satsuki-san take a good care of us!" Ritsu merrily said through to their smartphones.

"M-maa I'm just take care of the boulders." Satsuki who have sweat drop said

"Though with you, the snakes didn't approach usâ€¦" Nagisa said

As their conversation going on, their classmates looking at them with awe.

"Are you guys still alive?" Karasuma-sensei asked to the E-class members when he arrived.

"Wellâ€¦ somehowâ€¦" Sugino answered for his classmates and friends.

"Then let's go, we still have huge bear to pass by." Karasuma-sensei said as he started walking, the E-class started to follow him.

"We will be safe with Karasuma-sensei!" Okajima who appeared out from nowhere whispered to his classmates. While the others nodded in agreement.

Last Stop is: the HUGE BEAR that already growling at them!

Karasuma-sensei already take his fighting stand in case any minute that the huge bear would attack him and his students. Meanwhile Satsuki walk towards of the bear as she standing in front of it, the said animal tried to scare her with his loud growl.

Note: Tried

Satsuki smile on the bear and started to talk on it,

"Hey fella,"

"Oi Sawada-san!" Isogai shouted as they seeing their new classmate so near at the growling huge bear.

"You see, we don't have any intention on disturbing you, so would you mind to just let us pass?" Satsuki continued talking with the bear.

Everyone has their jaws dropped when the bear stop growling and leaving them alone.

"Wâ€"whâ€"what just happened?" Nakamura finally asked but still in the middle of her stupor.

"She just talk nicely to the bear and it just leave usâ€"|" Kayano said also stunt at what she saw.

Satsuki twirled half way to face them with smile on her face.

"Let's go now, shall we?"

With Satsuki's help on huge bear everyone came at main campus with plenty of time and not exhausted. Isogai told them to start lining at the gymnasium.

The A to D classes also started coming at the gym, then while they coming some you guys pretty know started to insult the E-class, while Satsuki saw how her classmates enduring it.

The chubby student who always bullying Nagisa noticed the new student on their class.

"Ne Ojou-chan~" the chubby call out for Satsuki.

The said brunette ignored him which built humiliation to the so-called elites, much to enjoyment of the E-class.

"Hey you! Don't you know that you don't have any rights to ignored us elites!" the chubby shouted which bring all the students to watch the unfolding scenes. Satsuki sighed and she look at the chubby with sadistic aura that can be much to a certain hitman.

"Eh~ Elites you say? I see whyâ€"|" Satsuki with sadistic smile on her face she pointed him "After all, you are so popular on the snakes!" she pinpoint.

Then everyone even teachers are all shocked to see three snakes that snaking around the chubby student's legs.

"Wh-why there are snakes here?!" The guywith ugly face and reading glass screamed.

"Why are you asking that now? You're friend said it himself, he is an elite, ne~" Satsuki with sadistic tone said. While the E-class

laughing in silence as their bullies trying to help the chubby so-called elite.

"Butâ€|" Maehara started as he and his classmates stop at laughing but still have that smile on them. "How on earth that those snake came here?" he asked to Satsuki.

"Okajima." Satsuki whispered to everyone, while they reacted with 'ah' though smiles didn't leave their faces.

Meanwhile on Chairman's office a good-for-nothing teacher talking with worried.

"That girl, she humiliating our elite students!"

"I'm afraid that we cannot lay a finger on her."

"Why Chairman? She is belonged to End class!"

"It's her own choice to join in that class." Chairman Asano sighed "And although she is in E-class we cannot just lay a hand on a Vongola member."

The assembly started, the E-class savior next is Koro-sensei in disguise, while Karasuma and Bitch-sensei made the fake elites into awe once again, and jealous and envies came upon at the A to D class and ugly teachers.

After of the fun (for E-class) assembly, Nagisa decided to buy a drink in vending machine, along with Satsuki.

Nagisa gave the pineapple juice to Satsuki and as he taking his juice he heard Satsuki in her sadistic tone, though is not for him.

"Eh~ what are you guys staring at?" Satsuki said while Nagisa turn his head to his bullies.

"How could you mess us?! You E-class should have respect to us elites!" The megane student said.

"Mess? Respect? Elite~? Ha! Don't make me laugh, please!" Satsuki fight back still have that sadistic tone and smile of hers. "First, we are not the ones who mess you up, it is the snakes and yourselves messing around. Secondâ€|"

"Sawada-sanâ€|" Nagisa try to stop her but with no avail.

"It's alright Shiota-kun!" Her sadistic smile and sadistic tone were gone when she say it to Nagisa. Then it came back as soon as she turn back to those elite bastards. "Where am I? Ah right second, don't use words that you don't know the meaning, and also once you learned its meaning apply it at least. Third elite? Some of you maybe yes, though if you keep using that word incorrectly you might end up smacking yourselves into a large wall. And lastly if you going to mess up with us E-class then you should be prepare, at least._ You Bastards._" Satsuki said as she speak in Italian language her last two words. "Let's go Nagisa-kun." Now she said it in English.

And they both leave the place and the students who are dumbfounded.

A/N:

And there you have it!

Karma: Hahaha you really messed them up, Sawada! (^O^) too bad I didn't come!

Satsuki: Yea if you come then we maybe mess them more than I did!

**Nagisa: Good thing that Karma-kun is not there, I guess.

E-class: (Nodded)

Maehara: But that's really a good one Sawada-san!

**While everyone are happy, **

Satsuki: Well also thanks to those snakes~

Then everyone laughed wholeheartedly, meanwhile Koro-sensei is sulking in the corner.

Kayano: What wrong Koro-sensei?

Koro-sensei: Well Satsuki-chan taking my popularity on you guys!

E-class: Since when you become popular?!

Karasuma: Author-san the disclaimers.

Whole cast: And Review!

3. Lesson 3

Lesson 3: Guardian Time/First Period

Summer days finally started, thought everyone seems busy for Ball game Tournament of their school, while Satsuki still try to sneak at least one attack per day to Koro-sensei. On the days that passes she quit becoming friends to Karma and Nagisa, she also enjoying the girls and boys accompany except to Terasaka.

The girls of E-class won the basketball with Satsuki help, no one thought that she can play basketball. On boys' side, they also won the game even with little difficulty, thanks to Principal Gakuho. They all saw how Koro-sensei, Karma and everyone turn the

tables.

Later that day, Gakuho meet up with Satsuki Sawada

"Messing with E-class? I seeâ€|" Satsuki started while her hands are crossed near her chest and she leaning on his car.

"Oh Satsuki-sama, aren't you the one who messing around with them?" the principal said with that fake smile of his.

"I just happened to taking a like on them." She said as she uncross her arms and put her right hand on her waist "I hope I already told your students that if they try to mess with us, be sure they are prepare."

"You sure using the Vonâ€?"

"Save the Vongola, even on my own abilities I can destroy your elite bastard students." Satsuki stand straight away from his car. "Plus the E-class, Koro-sensei, Karasuma-sensei and Irina-sensei are with me."

The principal smirked from what he heard. The e-class? That End class will destroy them how pathetic.

"You sure a fighter, I heard that your behavior is not match on the Vongola De-"

Gakuho cut off when Satsuki put a finger on his mouth and leaned close to his face.

"Stop speaking already." Satsuki whispered to him as mischievous smile crossed to her face, "If you do not 'they're' going to take you, Principal Gakuho."

Then Satsuki leave him dumfounded.

Days passes again, Satsuki becoming more and more close to Karma and Nagisa, also with their other classmate still with an exception of Terasaka. But as she becoming closer with the two her bloodlust to kill Koro-sensei has becoming thinner and thinner. She haven't forgotten about the wager that her father had made after all that's the whole reason why she is in E-class.

But her bloodlust has come back in half because of Takaoka-sensei who hurt Maehara and Kanzaki, she angry to him but she also angry on herself since she didn't listen to her Hyper Intuition.

Karasuma-sensei came in and check if Kanzaki and Maehara are both fine, while Satsuki has been muttering something under of her breath.

"I'm going easy on them, Karasuma. After all, they are my important 'Family'."

"Family, huh?"

"Listen Satsuki, my duty, no, everyone's duty is to protect our family, the family that we love the most."

That brings Satsuki into rampage, she kicked Takaoka on his neck making him flew away from them. Takaoka came into conclusion as he can feel Satsuki murderous aura leaking from her body.

"Family? Don't MAKE ME LAUGH!" she in enrage.

"Tch! So it's true that the daughter of Von-" Takaoka cut off as Koro-sensei hold his right shoulder also in anger.

"Hey, they're not your familyâ€"they're my students." Koro-sensei's words brought Satsuki out from her rage, though she stay on alert just in case that Takaoka would hurt her friends again.

Then afterwards the P.E. continued with Takaoka as their teacher though Satsuki didn't join them and instead check on Maehara and Kanzaki condition while on guard.

When he tried to hurt Kurahashi, Satsuki went in front of him to block his punch while Karasuma-sensei hold Takaoka's arm to stop him. Then Takaoka challenge Karasuma to choose one of his student except to Satsuki since she is already strong because she was trained as a member of Mafia family; to fight him as he take out a real knife.

Karasuma chose Nagisa to fight against him, and the blunet gladly accepted his decision as he take the knife from him.

Everyone watched as Nagisa defeated Takaoka using assassination and not real fight, well after all the E-class were taught to be assassins and not combat fighters.

After of the fight between Takaoka-sensei and Nagisa her bloodlust finally came back in full blast. She remember what's the reason why the wager had made in the first place and so today she plan to end their OctoTeacher's life, but something inside her stopping her from doing it.

'Unlike everyone here, I have my own reason for killing Koro-senseiâ€"!' she thought as she look at her real gun. 'I'm here becauseâ€"!' she sighed as she staring at the field made by Koro-sensei. Her brown hair blown

"No." Tsuna said coldly to his daughter.

"But Tou-san!"

"I told you, right? I want you to become my successor."

"I cannot do it! I cannot lead the Vongola like you do!"

With that words of hers made her mother that is beside of his father holding her laughed.

"Really you are just like your father when he in your age before!"

"Hey Sora!/Kaa-san!" the father and daughter said to the woman.

_ "Ne Satsuki~ why you don't want to be the boss and instead become a guardian? Ne nande~" _

_ "Iâ€| just don't like it. Beside I think the Vongola will be greater if Cielo will be the undecisimo." _

_ "And what's brings you that idea?" her father asked _

_ "That doesn't matter! Look it will be good if Cielo will be the boss and me as his guardian!" _

_ Tsuna sighed, her is so stubborn, but come to think of it, wasn't he also like his daughter before when neglected the position of being Tenth boss of Vongola. _

_ Satsuki saw her father like he is thinking of something. Thenâ€| _

_ "Okayâ€| I agree then." Her father said but before she could smile wholeheartedly her father continued. "But in one condition! You know about that super-being that destroyed the moon, right?" Satsuki nodded, tensed "The Government said that the said being is planning to destroy the Earth at incoming March. You see right now this being is teaching in one of school in Japan. If you able to kill him, then I will let you to become Sun Guardian and make Cielo as the Sky Guardian." _

_ "Alrig-" _

_ "But! If you unable to kill that being until March, then you will become the boss, whether you like it or not." _

_ "That is," Satsuki look at her mother "If the Earth still here by that time." _

"Kaa-san!" Satsuki mumbled as sweat drop slips down to her cheek. 'Though, even I accept the boss position, how I possibly find people to become my Guardians? E-class are not an option, I don't want them to be involve in underworld.' She sighed in defeated. "Oh manâ€| I having a hard time here."

"Hmm~ what do you mean?" Karma's voice asked her from behind.

Satsuki turn and saw Karma and Nagisa standing together. The two walk towards her,

"What are you asking Karma-kun?" Satsuki asked.

"You've just said you having a hard time here. What do you mean by that?"

"Itâ€| just nothing to concern you two." Her answer didn't convince her two friends but before one of them could ask her the bell of their classroom rung, signaling the E-class students that their subject will be start sooner. Satsuki used this chance to leave the subject and dragged both Karma and Nagisa inside of their building so they wouldn't be able ask any further.

****Subject: Math: Quiz Time****

As the students taking the quiz seriously, Satsuki have doubt about her plan to kill Koro-sensei. Her Hyper Intuition didn't helping her because she didn't feel Karma's and Nagisa's stares. The two lads has been stealing glances at their female friend. Her face showing her anxious and Karma clearly see how Satsuki's trembling left hand trying to reach her Anti-sensei knife under of her desk, but stop at reaching and just rub her sweating hand on her skirt.

Satsuki's reason for killing their Sensei is to prove herself that she made a decision right, while Satsuki's other side of her mind saying it's not right to kill Koro-sensei because he is too kind and her reasoning is selfish.

She's hesitating, if she didn't do it, she will be the next heir and she thinking that she cannot do it. But the feeling that she will take her kind sensei life and the thought that she wouldn't be able to talk with her sensei again, makes her to waver.

'What should I do?' she asked to herself as she gripping her now holding anti-sensei knife. Unknown to her she showing her hesitation and anxious on her face that bring Koro-sensei into curiousness and to go towards her.

Satsuki is right now clouded by her emotions.

Koro-sensei is worried on his student.

Karma is waiting.

Nagisa is tensed.

It happened in slow motion, Satsuki slashed her knife at Koro-sensei's tentacle that acting as hand as soon as she felt his hand on shoulder. Karma and Nagisa stood up at the same time, while their classmates finally feel the tension that surrounding their whole classroom.

Satsuki managed to make a small cut at Koro-sensei's tentacle, not with bloodlust but with clouded mind she tossed the knife at her right hand and swiftly making its way towards Koro-sensei.

Everyone looked with their jaws drop as they saw Karma standing behind Satsuki and circling his arms into her arms while Nagisa's left hand has pushed lightly Koro-sensei and his other hand is gripping Satsuki's hand that holding the knife.

"What just happened?" Mimura asked, stunned at what just happened.

"Did just Karma and Nagisa protected Koro-sensei?" Kayano asked.

As Karma holding the clouded Satsuki, she is breathing heavily.

"We won't allow you to kill Koro-sensei with such a feeling. You'll just going to regret it." Nagisa added as he held with his both hands Satsuki's hand that that is extended towards Koro-sensei.

Hearing Nagisa's voice brought back her into her senses, did she just

done something she didn't want to do. She then saw their sensei's that is color blue. Why he is color blue? Satsuki let go of her knife and let Nagisa to take it from her, while Karma let her arms go too. With the energy that left her body she falls into her knees and her face hid under of her bangs. Nagisa, Sugino, Kayano, Hara, Sugaya and Ritsu saw bits of liquid falling down from Satsuki hid face.

"Aâ€| ah~ Nagisa-kun and Karma-kun made Satsuki cry~"Fuwa said

"They made a Mafia member cry~" added by Hara

Even this were just teasing Nagisa and Karma, the two said young lads didn't even gave a damn, while Satsuki used her arms to wipe whatever that is at her face but the falling of her tears is not stopping.

"Why?" She asked no one in particular with hint of sobs with her voice "Why it cannot stop?" she asked again while she still working on her hiding face.

"Arâ€"" Isogai cut off even before he could utter his worry for his classmate by Koro-sensei, the said teacher still in grin on his face shook his side to side signaling Isogai nor anyone on them to not ask any kind of question to Satsuki.

"But Koro-senseiâ€|" Kayano who also worried to their classmate try to ask something.

Before she could continue she heard Sugino and everyone else faint gasped, she snapped her head back to Satsuki and to her surprised she saw Karma hugging Satsuki's head from behind.

"Just cry as much as you needed, I will cover your face so no one even me, or Nagisa-kun, nor Koro-sensei will see your face that is stains by your tears. You don't like it do you?" Karma that surprisingly with gentle tone said to Satsuki.

The said mafia member accepted his offer as she hold his arms with her both hands and continue to cry.

"You've been holding your tears for we don't know how long, that's must be the reason why it won't stop even how much you wipe it. All you need to do now is cry as much as your tears would stop itself." Koro-sensei gently said to his mafia student.
